

About This Small Group

Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—its falling in love with God. And once you encounter His love, as Francis describes, it will never be the same.

Families are welcome to attend this small group.
