

## About This Group

No matter where you are financially, whether you are dealing with debt, saving for retirement, or planning for your family's future, Financial Peace University can help. We will walk together through what the Bible has to say about money and learn about topics such as budgeting, how to get the best deals, and college saving plans. Finances can be tough, but I'd love to walk with you through the process of learning how to be good stewards of the money God has given you.
