

### **About This Small Group**

It is possible to live free from pornography. Jesus promises that he came to bring forgiveness and freedom from sin. You can live Finally Free from sexual addiction by the power of grace through a faith in Jesus Christ. In this book, experienced counselor and teacher Heath Lambert identifies eight strategies, each based on the work of Christ, that gives people locked in the grip of pornography both the fuel and the roadmap for change. Each chapter is grounded in grace and clearly articulates how to apply the gospel in practical ways.
