

### **About This Small Group**

Join this group of ladies who enjoy praying together, studying the Bible together, and encouraging one another. They will be studying the book *The Rock, the Road, and the Rabbi*. In this book, Kathie talks about her faith in Jesus (the rock), her love of Israel (the road) and her belief in the Bible (the rabbi). This is a thought provoking book that gives historical and geographical context to the life of Jesus.
